2021 Mettowee Valley and Northeast Cemetery Association Inc. Report

Everyone is encouraged to visit our beautiful and special Mettowee Valley Cemetery and its historic Chriss Monroe Chapel which has been renovated by the Pawlett Historical Society. In collaboration with the Cemetery Association. The Pawlett Historical Society will utilize the common area for meeting, and programs. This venture is beneficial to both organizations and ensures preservation and use of this historical building. The Chapel is available for services to the public.

Visitors comment on the beauty and peace of the Mettowee Valley Cemetery and Northeast Cemeteries. Visitors leave with a true sense of history of Pawlet and many outstanding contributions our ancestors resting there contributed not only to Pawlet, but to surrounding communities and beyond to our nation's history.

The Cemetery Association is in the process of computerizing their records. Computerization of the record will require additional funding. In addition to working on computerizing the records, they are also getting quotes from local contractors to replace the roof which will have to be done sooner than later. Donations for either of these would be greatly appreciated. Direct donations can be sent to the Treasurer, Jennifer Decker. (Listed below)
